IRONING SYSTEMS WITH CONTINUOUS REFILLING

VVX 1880DualVap

DUAL SOLEPLATE

Double material soleplate with patented profile: super glidability on all garments and double ironing action providing by the two materials

DUALVAP SELECTOR

Double steam option: super concentrated turbo steam tip and a gently but efficient steam from the whole soleplate

ECO ZONE

Energy and water saving up to 35% maintaning the desired performances

EXTRA IRON MAT

Ideal to rest the iron on the ironing board. For even more comfortable use

LOCK SYSTEM

Extra safety is guaranteed thanks to the lock system , that keeps the iron Strongly fixed on its base

DOUBLE ANTI CALC SYSTEM

The anti-calc regenerating cartridge (1) is combined with a boiler cleansing cap (2), to obtain a very high efficient antiscale result

VVX 1880DualVap

- Double on/off iron and boiler buttons
- DualVap: Steam Tip and all the whole soleplate
- Lock system for safe transportation
- Steam Ready in only 2 minutes
- Steam production: 120g/min
- DualVap: 200g
- Eco-Zone
- 5 bar pressure in boiler for professional results
- Regenerating resins to reduce calcium deposits drastically
- BOILER CLEANING CAP: the special cap allows a thorough rinsing, thus reducing calcium deposits, for a longer life of the appliance
- Continuous refilling for an unlimited autonomy
- Stainless steel boiler for a longer life cycle of the system
- 0.7 litre removable water tank
- Vertical steam emission to iron curtains, coats, etc.
- Removable mat for comfortable ironing
- Safety thermostat
- Possibility to wrap the power cord and steam cord for easy storage and transportation
- Domestic iron with DUAL soleplate and DualVap selector
- Trigger emission buttons are safely held by both left or right hand users.
- Power 2200W

TECHNICAL DATA		
Iron dimensions (w xdxh)	mm	270x142x124
Boiler dimensions (w xdxh)	mm	352x243x208
Weight	kg	5,5
Maximum input pow er	W	2200
Boiler input pow er	W	1400
Iron input pow er	W	800
Rated voltage/Frequency	V~Hz	220/240~50/60
Tank capacity	cc	700
Iron		Domestic
Soleplate		Dual
